STANDARD COURTESY PAY OPT-OUT REQUEST

I request and authorize Golden 1 Credit Union to cancel the Standard Courtesy Pay Program on my checking account. Opting out of the Standard Courtesy Pay Program will automatically remove my checking account and debit card from Courtesy Pay for Everyday Debit Card Point of Sale (POS) transactions.

I understand without the protection of Standard Courtesy Pay or any other overdraft protection services offered by Golden 1, item(s) presented for payment on my account drawn against insufficient funds may be returned unpaid. I further understand if I have opted into Courtesy Pay for Everyday Debit Card POS transactions, I will also be removed from debit card protection and these transactions will be declined.

To reference fees associated to your checking account, please reference our Consumer Services Fee Schedule located on our website at golden1.com.

I acknowledge that my decision to opt-out of this Program will apply to joint account holder(s), and I agree to notify any joint account holder(s) of my decision to opt out from this Program.
