As a member of the above credit union, I hereby authorize the Public Employees' Retirement System to withhold from my retirement allowance, in accordance with the rules of said system, deductions for shares and/or payments until such time as I file in the office of said credit union a written request for termination of deductions. I further authorize the credit union to certify to the Public Employees' Retirement System the amount of the payment to be deducted, and any subsequent changes in said amount. I understand that PERS cannot process a termination notice received directly from me, and that excess deductions, taken in error, will be refunded to me by the credit union and not by PERS. **If the amount required for my loan payment(s) is not deducted from my allowance, it will be my responsibility to make the payment.**
